CHINESE: COMPLEX, CULTURED, HANDCRAFTED

The origin of gin likely dates back to liquors produced back in the middle ages in Europe, with references to a spirit flavoured with “genever” in the 13th Century. China’s relationship with this liquid is far younger but has seen a rapid development of world class gins from all over the country inspired by its history and provinces. 金酒的起源可以追溯到欧洲中世纪,而现在中国即有越来越多受到当地独特历史文化启发,来自各个省份的高品质金酒,值得细细品味。

PROOF

OLD TOM: NAVY STRENGTH, RICH, VELVETY, ROBUST, BOTANICAL

Old Tom Gin features high quality base spirits that have been distilled to modern day tastes and can have a touch sweetness.

Navy Strength Gin is intense but smooth at higher proof with a strong profile.

老汤姆金酒具备高品质基酒风味,尾韵带着些微甘甜。
海军强度金酒则是酒精浓度相对高,口感浓烈却滑顺。

LONDON DRY: BRIGHT, CITRUS FLAVOUR, JUNIPER DRIVEN

A benchmark for quality gin, London Dry has a balanced bouquet of juniper and citrus with some floral notes that was acquired from the botanicals added during distillation. It is one of the purest, driest and most defined juniper flavours.

作为优质金酒的标杆，伦敦干金酒有着杜松子和柑橘类果实的平衡香气，还有一些从蒸馏过程添加的植物中提取的花香。是一种干纯突显清晰的杜松子香气的金酒。

FLAVOURED SLOE: FLORAL, RICH, FRUITY

The base of a sloe gin is an Old Tom gin or a classic gin where it is sweetened and flavoured with sloes through maceration.

Sloe gin is originated from Britain. Alongside sloe berries a new wave of flavoured gins are on the market with distinctive taste profile from pineapple, cherry and quince.

起源于英国，斯隆金酒的基酒是老汤姆金酒或经典金酒，酿酒师通过浸渍黑刺李对酒进行增甜和调味。现在除了黑刺李外，新的一波调味金酒也采用了菠萝、樱桃、木瓜等特殊的风味。

OUT OF THE BOX, CONTEMPORARY: AWE, ADVENTUROUS

Contemporary gins have a predominant flavours of other ingredients besides juniper and the gin may have a character which emphasises other botanicals. Contemporary gin refers to the taste more than a region, production method or actual botanical bill. Examples are floral, herbal, spice and citrus forward contemporary gins. 当代金酒是指除了杜松子以外,其他强调其他植物显著风味特性的金酒。强调的是味道,而非地区或生产方法。例如花香,草本,辛香料或柑橘味都属当代金酒。

BARREL AGED: TANNIN, CIGAR, SPICE

Aged Gins, sometimes also referred to as “Barreled Gins,” or “Barrel Rested Gin,” are simply gins which have been aged in wood after distillation. Aged Gins as a category of their own are a relatively new invention. Today’s aged gins use wine barrels, bourbon barrels or rye barrels to name a few.

陈年金酒，也称为“桶陈金酒”或“桶存金酒”，是在蒸馏后存放在橡木桶里的陈年金酒。如今的陈年金酒有使用葡萄酒桶陈年的，还有使用波本威士忌或黑麦酒桶等等的种类。
