About The Sukhothai Hotels & Resorts

The Sukhothai hotel logo consists of 22 diamond droplets forming the Chedi design that was inspired by Sukhothai, the first capital of Siam. Each drop of diamond, polished to an identical marquise shape and seemingly finding its own position within the whole represents the individuals of the qualified hotel associates who, guided by intuition yet precise in every detail, anticipate our guests' needs and cater to them exceptionally. Each property within the brand portfolio remains distinct and uniquely designed while maintaining the essential quality that is the hallmark of the brand.
